Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Cultural heritage, maritime heritage, visual arts, museums, literature, education programs
Description or summary of the proposed project	School museum of maritime heritage - a space in school where school artefacts of maritime heritage and a collection of old books (about 15,000 books) will be exhibited, which will serve for the purpose of promoting and preserving the maritime tradition of our school, but also for educational purposes to enrich the teaching process. The project will enable the development of educational and cultural content related to maritime heritage.
